Dr. Urfan Dar M.D.

Dr Dar completed his medical degree from Government Medical College in Srinagar, India. He performed his internship in Internal Medicine at East Tennessee State University in Johnson City, Tennessee. Afterward he did his formal Residency in Anesthesiology at Texas Tech University in Lubbock, Texas which is a world renowned center for pain management programs.

Dr Dar is Board certified by the American Board of Anesthesiology and also Board certified by the American Academy of Pain Medicine.

He is the **Medical Director** of **Theda Oaks Endoscopy and Pain Management Center**, which is a state of the art facility providing care to people with gastrointestinal disease and diverse pain management issues.

His compassion and caring for his patients and his understanding of pain management have helped establish a very successful practice.
